NOTICE

Dear Students,

Greetings! Hope you are safe.

I am very happy to note that almost all of you, except a very few, have completed your online end semester (assignment) tests and uploaded the same through our college ERP. I appreciate you for your involved participation in this academic exercise. Most of you met the deadline for the exercise. Congratulations! You should be thankful to your course teachers, HODs / Coordinators and Deans for their accompaniment in this process. I ask the students engaged in project work to complete it and keep it ready. As announced earlier, you may have to submit the same on your arrival to the college for the semester exams.

May God bless you!

Principal
