ONLINE FACULTY DEVELOPMENT PROGRAMME

Inclusive Procedures and Processes in Assessment and Accreditation by NAAC

Dates: 30th June – 4th July 2020

Time: 09.30 a.m. to 12.00 noon

Objectives

- ❖ To impart knowledge on the cross-cutting issues in the procedures and processes of A & A by NAAC
- ❖ To deliver information on the right ways to convert the strengths of the HEIs into scalable outcomes through a perfect understanding of the requirements of the SSR and SOP of NAAC manual
- ❖ To offer guidance for the HEIs in the preparation for the Peer Team Visit

Expected Outcome

- ❖ The participants will be equipped with knowledge on the requirements of the SSR, the modes of data collection and documents to be appended as evidence to various metrics and the expectations of the Assessors during the Peer Team Visit
- ❖ The participants will receive fresh insights and a critical acumen on the NAAC process

The preparatory processes for NAAC, an institutions' inevitable and objective way of estimating itself, resulting in the creation of multiple avenues for enhancement of quality in all the aspects of Higher Education, have been conceived of by many HEIs as a nightmarishly daunting task due to its seemingly complex nature. **St. Joseph's College**, Tiruchirappalli, Tamil Nadu, **the first Autonomous Arts and Science College in the nation to receive A++** from NAAC in the Revised Accreditation Framework (RAF), with a CGPA of **3.58 out of 4.0**, in the 4th cycle of Accreditation, considers it a privilege to address this issue, and is pleased to offer an **online Faculty Development Programme on "Inclusive Procedures and Processes in Assessment and Accreditation by NAAC"**.
