OBJECTIVE

To work for a reputed organization, that would provide me the challenging assignments, an opportunity to manage and interface with Students, with scope for continuous learning and growth as I could leverage my skill to the maximum while providing me wide exposure, sufficient responsibilities, independence of thought and opportunity to widen my knowledge and experience.

Preplan and present interesting lessons that actively engage learners, while educating on proper teaching methodologies and various socio-cultural activities. Provide students with opportunities to reach their fullest potential through regular assignments, debates and power point presentations. Offer extra tutoring to ensure each student is able to understand the syllabus and give regular model tests.
