The academic year 2015-2016 in St. Joseph's College (Autonomous), Tiruchirappalli is replete with several levels of achievements and innovations. The College has won laurels in academic, co-curricular and extra-curricular endeavours. We have carefully strengthened the infrastructural facilities, introduced newer and effective methods in the examination system, efficiently put into practice the school system. The departments without exception have fine-tuned their research efforts by having enrolled more doctoral scholars, erudite publications in journals with high impact factor and annexed research projects from reputed agencies. Being aware of the need to go deeper, we are striving to network with Institutions of eminence. As an example I cite the Joseph Institute of Management (JIM) which has gained more visibility by its forward march in National ranking (NIRF). Nearing the NAAC reaccreditation process, we are striving systematically to acquire higher ranking and at the same time gain the status of Institution of Excellence.

Attaining perfection is not a venture of a single day. Rather it is the process that makes the journey to perfection very memorable and noteworthy. In this regard we reminisce our hoary part- St. Joseph's in its first decade of 1844, its Silver jubilee year, followed by Golden Jubilee days, centenary year of 1944 and in recent times the 125th year and sesquicentenary (150) era in 1990s. We are now eagerly looking ahead to the completion of the 175 years of our service to the Nation.

It is no exaggeration when we say that in this onward march towards excellence, we received a very special status this year entitled 'Heritage Institution', by the University Grants Commission; sure enough, the award refers to the historical Newton Museum edifice and its holdings. To a discerning observer, the award indicates and affirms that our Institution is an embodiment of heritage and unique history. The latter are evident in our Campus by the way we impart knowledge, keep open to new avenues in administration, timely and regular betterment of infrastructure, (notably the Chemistry Building and Lawley Hall complex and soon the restructuring of Century old Museum). I do not wish to minimize in any way the academic laurels we have won. The College annual is a veritable record of the above facets. Hence Josephites eagerly await the blossoming of the College Magazine.

With divine assistance and continued intercession of St. Joseph, our patron we have been and are faithful to the zealous spirit of our Founders. History will attest to this phenomenon. The journey briefly outlined above is not only a hall mark of combined endeavor of staff and students, Jesuits and lay collaborators and above all our alumni, but it is way of Life and ethos. An embodiment of this journey was uniquely characterized by our former President of India, Dr. A.P.J. Abdul Kalam an illustrious alumnus of our Institution. May his soul rest in peace.

In fine I wish to congratulate the Jesuit Community, Frs. Secretary and Principal and their administrative team, staff teaching and non-teaching and the student body. It is now opportune to acknowledge the editor and the team of Josephite 2016. The publication is indeed a master piece and a fine work of eminence. Let me express my deep sense of appreciation and gratitude to them all for their hard work in making this publication memorable.

Fr. S. John Britto SJ
Rector

Dear Friends,

Greetings! I am very proud to say that a team of dedicated, competent and creative professors and students of St. Joseph's College brings out a fantastic volume of Josephite, College magazine every year without fail. This provides wonderful opportunities for students and staff to actualise their powerful creative potential so that many others benefit from them. Besides it carries all the achievements, spiritual activities, seminars, workshops, symposia, games and sports, and cultural competitions of the College during the current academic year as a record and history of the College for future reference.

Knowing full well the paramount importance of the College Magazine, the team of editors has carefully analysed and synthesised all materials and meticulously planned the volume so that the readers can easily peruse it and draw pleasure and benefit from this. I heartily congratulate the members of the editorial board for their committed and hard labour to bring out the magazine on time. I also appreciate all those who have generously and creatively contributed towards this beautiful piece of work. Friends, All of you have done well. Once again, congratulations and best wishes.

May the Good Lord bless you and your family!

Fr. S. Sebastian, SJ
Secretary

I am very much excited and delighted to meet you through this annual magazine of our college. This year God has blessed us with the unique status of Heritage. Hence the magazine will carry a lot of features related to the history of the college. The college day was celebrated as the Heritage College Day wherein the professors and alumni who are aged 80 and above were invited and honoured on the college day as a gesture of sharing the joy of the heritage award. It is these great men who brought this laurel to the college and it is fitting that they are honoured. At this juncture I must acknowledge the great efforts taken by the college authorities, officials and other volunteers in organizing the college day as a unique one. Starting from the backdrop for the stage, the procession from the Principal's office in Lawley hall block through the old gate near the durgah accompanied by the college band, procession of the students carrying 'mulaipaari' (germination of nine grains) as the symbol of prosperity and new life... everything was well planned to bring to mind the good-old days and to depict to the younger generation the sweet memories of yester years. We were astonished to see 40 of our professors and alumni who showed up for the college day and I was thrilled to see joy and happiness in their faces to come back to their alma mater. There was a feeling of elation pervading the entire campus on that day.

Next year (2016-17) the college goes for NAAC accreditation. I appeal to all the staff, students and alumni to keep the college in your prayers so that our patron St. Joseph may bless us with a very good ranking and for which the entire college can work hard as a dedicated team.

Editorial

The college releases its hundred and third issue of its College magazine, Josephite 2015-16. The magazine provides a panoramic view of the cultural, academic, sports, literary activities, and achievements of the college. It showcases the monumental efforts taken by the management to make the college a centre of excellence in education and research. The magazine provides a platform to share information, spread the latest technical knowledge and cultivate right ways that will equip the staff and students to stay competent in the respective fields of study and research. A weak link is better than a strong memory. Nothing exemplifies it better than the nostalgic feelings one gets when leafing through the dusty old pages of the college magazine. It makes the reader travel down the lanes of memory, giving rise to a surge of emotions of many hues and colours. Josephite is going to give the same pleasure to all the brilliant minds who traverse through

the portals of this temple of learning. The Editorial board is bestowed with ample support from the college management, faculty members and students. The Editorial team gratefully acknowledges the highly commendable and inspiring support of Rev. Dr. S. John Britto, SJ, the Rector; Rev. Dr. S. Sebastian, SJ, the Secretary; and Rev. Dr. F. Andrew, SJ, the Principal. It places on record a deep sense of gratitude to all the administrators, teaching and non-teaching staff and students for their timely help in bringing out this Hundred and third issue of the College Magazine on time.

The workshop brought forth close interaction between leading research scientists of our country and aspiring students and young faculty members belonging to the institutions of the city of Tiruchirappalli and nearby area. After each lecture about 10-20 minutes were spent on the queries of the participants to the speakers. During tea break and lunch break the post graduate students from host institution and other institutions interacted with all the invited speakers to widen their knowledge in the specific field of research. In the valedictory session, feedback was given by the participants, followed by the suggestions of the experts to the participants to make them highly qualified. The workshop ended with vote of thanks by the Dean, School of Physical Sciences, St. Joseph's College, Dr. M. Amaladasan. A feedback form containing specific questions regarding the workshop was circulated among the participants and the filled-in forms were collected back later on.

**Shift-I**

A two-day National Conference on “Literary Theories”, organized by PG & Research Department of English, St. Joseph’s College, Tiruchirappalli, was inaugurated on 3rd December 2015. Introducing the theme of the conference, Rev. Fr. Paul Pragash, SJ, traced the etymological roots of theories and explained how the theories play a momentous role in solving the problems and conflicts encountered by a society.

The chief guest Dr. A. S. Dasan, Professor of English, University of Mysore, spoke on “Polyphony vs Hegemony: Mapping Literary Hermeneutics in the Light of Cultural Memory and Contemporary Challenges”, and analyzed literature not only as a cultural memory but also as an epiphany which interlinks God and human being. Dr. A. Noel Joseph Irudayaraj, retired Professor and former Head of the Department of English, Bharathidasan University, spoke on “After Derrida”. Dr. Rama Priya, Head of the Department of English, Kunthavai Naachiyar Women’s College, Tanjore, dealt with the significance of the concept of ‘Affect’ in relation to philosophical and postmodern setting. The first session of paper presentation was moderated by Dr. Adhithya Kumar Panda, Professor from Central Institute of Indian Languages, Mysore.

The chief objective of the conference was to discuss and debate on current literary theories and thereby to make the researchers and the students overcome their theory-phobia, thus opening a space for application of those theories to literature and life in a meaningful and fearless way. Grace

Focusing on “இறை இரக்கமும் இளையோர் இதயங்களும்” our 21st State Youth Prayer Convention was held on 12th February evening to 14th February evening 2016 at St. Joseph's College, Trichy. Year by year, the participating youth force is increasing. Yes, it is 2,186 from 82 colleges this year. Who could venture such a grand Spiritual Mela? It is fully by the Josephite alumni, containing 332 members, who are the catalysts and inspiring youth force from all over Tamilnadu, who gathered together in a bulk number. The days contained a series of transforming moments, where all the youth participants realized their creative spiritual potentials. Yes, it was the youth empowering camp by the college campus ministry. An half an hour of amazing preaching by our Rector,

Rev. Fr. S John Britto SJ on God's Mercy, the half day long goal setting charismatic convention by Fr. V. Ignatius SJ and the holy flaming preaching of Fr. Xavier Alphonse SJ and spirit filled prayer sessions by series of preachers were the highlights of the days. What a graceful occasion on the second day to see 62 priests from all over Trichy city at the confessionals. It was a counselling type of confessions, where boys and girls in hundreds rushed towards! At the end, all the priests left the campus 'inspired'. The Grace occasion has attracted 469 youths from various parishes, 61 children and 325 fathers, brothers, sisters, preachers, counsellors etc., apart from college youth in hundreds. The whole program was run by generous donations collected by alumni. The financial implication will certainly cross 15 lakhs, if we calculate the space areas freely offered by St. Joseph's College, Trichy. Yes all by donations! The Campus Ministry functions with an eminent team headed by Dr. Xavier Antony SJ, Campus Minister and a team of professors from various Departments.

THE RAPINAT HERBARIUM

Four Ph.D. scholars successfully defended their doctoral thesis. They are Sinjumol Thomas, Silvy Mathew, Immanuel Sagayaraj and Krishnakumar. Two scholars obtained their M.Phil degrees.

The long awaited publication of "Flora of North Tamilnadu" is nearing completion. This flora will update the earlier version "Flora of Tamilnadu Carnatic", besides adding more species collected from the Coromandel Coast and the districts of North Tamilnadu. The unique feature of the new Flora will be the arrangements of families in phylogenetic aspect in tune with the most recent APG IV Classification. The circumscription of the families and realignment of taxa are in line with recent trends in molecular and phylogenetic research. Rapinat Herbarium has described two new species of flowering plants unknown to science and so far undescribed. They are *Hedychium mathewii* and *Brachystel marapinatii* of Zingiberaceae and Apocynaceae respectively.

STUDENTS' COUNSELLING CENTRE

Professional Counselling in St. Joseph's College is an innovative initiative with the objectives of 1) Helping the students to manage their psychological problems more effectively and develop the unused and underused opportunities more fully 2) Capacity building of Mind in Higher Education and National development through the various programmes offered. As a healthy practice of St. Joseph's College, Counselling Centre is committed to help, boys and girls who in their youth, go through an emotional roller coaster during their developmental stages of life. College boys and girls, in their anxiety to grapple with problematic situations, more often than not oscillate between healthy and unhealthy behaviors. In these untraveled terrains, students, staff and parents- both voluntary and involuntary are given both individual and group counseling on a regular basis. Problems such as: Lack of concentration in studies, Conflict with parents and friends,

Lack of motivation, Mood disorders, Emotional issues, Self-esteem issues, Career guidance, Peer pressure, Friendships and Interpersonal living, problems related to Alcohol, Sexuality, Sleep disorders, Depression, Anxiety, Psychosomatic symptoms and Stress management, Time Management etc., are addressed. Referrals are made by the Principal, Deputy Principal, and Heads of the Departments, Mentors and teachers and parents. Departments are also highly encouraged to invite the counsellors to interact with the students and the staff as the need arises. Counselling Centre organizes a Seminar on 'Leaderships skills' for all the students Representatives, a 7 day training programme in "Basic Skills in Counselling," for professors, Soft Skills for I PG students for 4 credit hours, a two day crash course of Soft Skills for III UG students, 2 open forums and orientation programme on "Mentoring" for newly recruited staff. Jasmine was appointed on 5th August 2015.

Mentoring

Mentoring Program is an off shoot of counseling. The catchword of mentoring is 'CARE'- Caring, Accompanying, Reflecting and Experiencing. Mentoring system is based on a Psychological Model called 'Multimodal Behaviour Therapy' of Arnold Lazarus that focuses on developing BASIC ID. The process of mentoring through the year commences with the nomination of the mentors from the respective departments, orientation programme to the mentors, printing of the work book, getting acquainted with the work book "Mentoring through the Year." Mentoring programme revolves around the mentors meeting the students informally, as frequently as it could be. Nevertheless, four formal structured meetings are scheduled during the college calendar year. Mentees are very much encouraged to meet the mentors at their own conveniences. Mentoring aims at strengthening the dynamics of caring and sharing of knowledge, skills, attitudes, academic heights, personal growth and professionalism between the mentors and the mentees. Mostly, we are able to maintain the matrix of 1:20 ratio (one staff for 20 students in most cases) as all (outsourcing included) the staff members are involved in the process of mentoring.

The mentors are highly encouraged to identify and refer the needy students for counseling to receive psychological help. As a procedure, the counselor selects a theme according to the felt need of the students, prepares an agenda and sends with a write up on the theme with inputs and questions to the mentors in advance. Mentors along with the mentees discuss the agenda at a stipulated time for an hour. Feedbacks are collected after every meeting. The counselor consolidates the feedbacks and submits a report to the Secretary, Principal and the Deputy Principal and it is followed up.

The motto of this hostel is "Towards life of fullness in little steps". It was the motto and the way of living of St. Theresa of child Jesus, the Patroness of this Hostel. St. Theresa Girl's Hostel is a home for the students to live in togetherness and the administration tries to provide an atmosphere of healthy growth of personality. It provides the students many opportunities to be physically fit intellectually alert, morally upright, emotionally integrated, socially aware and religiously oriented persons, the main concern is the character and intellectual formation of the girl students. As there are good number of catholic students, it was a felt need to have the presence of the Eucharistic Lord and a small chapel is setup. Most students spend some time either in the morning or evening before the Eucharistic presence. We are ever grateful to Rector, Rev. Fr. John Britto and the community for the arrangement of Mass during the weekdays. We do appreciate and thank each priest who come and enrich us at the start of the day.

A Tribute to Dr. A.P.J. Abdul Kalam, Former President of India

His Excellency Bharath Ratna, Former President of India and the illustrious alumnus of St. Joseph's College passed away in Shillong on 27th July 2015 evening at the age of 83. He was hailed as "People's President" for his altruistic warmth and easily approachable concern for the poorest and the youngest generation of India. As the genuine product of the Jesuits he dedicated his whole life for the betterment of the underprivileged and the hapless millions of India reeling under below poverty line. He reached out to the students through consistent interactive lectures and public interactions. Even after demitting his presidential post, he travelled across India with an unquenchable zeal to motivate, guide and inspire the young students with a noble future leaders in all walks of life. He used to reiterate, "Death has never frightened me. All have to go one day." With that valiant courage and commitment he collapsed while performing the best loved duty by him – that is delivering a lecture at the Indian Institute of Management in Shillong.

Today with inconsolable grief, St. Joseph's College joins the Nation's mourning of the sudden demise of Dr. A. P. J. Abdul Kalam its greatest alumnus and the 11th President of India, who effectively administered in the top most post of our Nation from 2002 to 2007.

His meteoric rise from "Missile Man" to "People's President" started on this holy soil when he joined B.Sc. Physics in St. Joseph's College from 1950 to 1954. He has gratefully recorded his indelible reminiscences of his student life in his famous book **The Wings of Fire**. He landed the selfless services of his eminent professors like Rev. Fr. Chinnadurai, SJ and Rev. Fr. Siqueira, SJ. He used to regularly pay his respect and gratitude by personally meeting Rev. Fr. Chinnadurai, SJ, his Professor of Physics who ignited the space odyssey of Dr. A. P. J. Abdul Kalam. He visited St. Joseph's College as the President of India and as the Former President of India during its historic celebrations and International Seminar. He informally met his Physics Professor. Rev. Ladislaus Chinnadurai at Beschi College, Dindigul on Saturday last week with surging emotions and unforgettable memories. With tears rolling down his cheeks, former Professor Rev. Fr. Chinnadurai stated, "Even after 60 years, he remembered me and my teaching. I taught him light, sound and other Physics subjects. I am so happy to see him again." While Fr. Chinnadurai gave a book on Memories of Mother Teresa authored by Rev. Fr. Xavier Antony, Dr. Kalam presented a book, "Reignited Scientific pathways to a Brighter Future" written by him and Srijan Pal Singh to his professor. This is the last historic meet of our eminent alumnus with his Alma mater the 172 year old St. Joseph's.

His Excellency Our Honourable President Mr. Pranab Mukherjee stated, "As President of India, Dr. Kalam was immensely popular and greatly admired. His warmth humility and simple ways endeared him to one and all. He had a special love for children and sought to constantly inspire the youth of our Country through motivational speeches and personal interaction.

"India mourns the loss of a great Scientist, a wonderful President of above all an inspiring individual. My mind is filled with so many memories, so many interactions with him. Always marvelled at his intellect, learnt so much from him" stated Prime Minister Mr. Narendra Modi.

Though an era of a selfless Scientist, and humanist has come to an end leaving a void in humanity, his vision and mission having absolute consonance with the spirit and zeal of St. Joseph's will be perpetuated and promoted by the teeming dynamic youth of our College and India.

His Excellency Dr. A. P. J. Abdul Kalam says, "If a country is to be corruption free and become a nation of beautiful minds, I strongly feel there are three key Societal members who can make a difference. They are the father, the mother and the teacher."

Let us now march to actualise the dream and legacy of our illustrious alumnus by our sincere dedication to our profession and boundless compassion to our poor brothers and sisters.

St. Joseph's College and Higher Secondary School Management, Administrators, Professors, Teachers, Non-Teaching Staff and Students register our deep condolence over the sad demise of our Former Student and Former President of India **Dr. A. P. J. Abdul Kalam**.

May his soul rest in peace.
