With a sense of profound gratitude to God and great appreciation to staff, students, alumni/ae and all our well-wishers, I am happy to wish you all God's blessings through our well-cherished magazine "Josephite". We are at an important milestone of our college history as we usher in the celebrations of 175 years of our college's service to the nation.

We are proud of our heritage. Our goal is not only to provide opportunities to our students to make intellectual growth in their particular field of study but also have a holistic growth through mentoring and counselling, sports and cultural activities. We also train them to transform the society by serving the needy through different outreach programmes. In this context of growing in Jesuit charism and values, I would like to share with you a few words from what Fr. Arturo Sosa, SJ, the Superior General of the Society of Jesus, said in the World Meeting of Universities entrusted to the Society of Jesus at Loyola, Spain on 10 July 2018. He said, "Intellectual work requires avid effort and dedication that challenge the will of those who are engaged in it. It requires sensitivity to the situations of individuals and peoples. It needs to look beyond its walls to accompany the complex processes of human history. Moreover, it is not enough to achieve intellectual depth, but rather to endow it with meaning, beyond itself, as a contribution to improving the world." I think in St. Joseph's College we strive to achieve this ideal of intellectual depth and its extensive impact on us and others too. Magis, the guiding principle of our life, inspires us to achieve more and more and not to rest on the laurels of the past. May the Lord Jesus, who has become part of our human history and who walks with us in our pilgrim journey, continue to inspire and assist us in ushering in God's Kingdom of justice, reconciliation and peace.

I congratulate the editorial board for its painstaking effort to bring out "Josephite 2017-18". We look forward to receiving it and cherishing the narration of events contained therein. I am sure it will also instil in us the courage, commitment and determination to achieve great things in our life.

**Rev. Dr. Leonard Fernando SJ, Rector**

I am delighted to offer this message of appreciation and gratitude for the excellent work in bringing out Josephite '18 and of my acknowledgement of the kind Providence of God for having journeyed with us for the past 175 years. As a chronicle that records the efforts and achievements of our staff and students in the academic, cultural and sports fields, Josephite is a celebration of life in St. Joseph's College. The year 2017-18, marks the ushering in of our Dodransbicentennial year and so is of great significance for every one of the stakeholders. I personally feel proud to be serving in this institution at this moment of history. Years ago, one professor in St. Xavier's College, Palayamkottai, told us that the term 'College' has only one model namely St. Joseph's College, Tiruchirappalli. At that point of time, I did not realise the significance of this statement. But now after having been working for nearly 13 years, I realise the real meaning of that statement. It is not to boast that everything is perfect and there are no loose ends in this institution. As a human institution, St. Joseph's has its share of deficiencies and drawbacks. But, it has stood firm in its core values of truth and goodness all these years. It has assiduously sought to form the character of all who enter into its portals and form men and women for others. This year had several significant achievements especially in the field of Information and Computer Technology. Our Staff members have successfully created and tested the ERP Portals that has made a lot of academic related activities, efficient and effective. Many more such achievements can be enumerated. But we have to go a long way in enhancing our academic tenor, which calls for a sincere effort and dedication on the part of the faculty members. We have to face stiff challenges in the year ahead especially with the NAAC Accreditation, Autonomy Review and meaningful celebration of the 175th year Jubilee. With the concerted efforts of the Staff and with the help of Divine Providence, we will emerge successful.

Let me once again congratulate the editorial team for bringing out the magazine Josephite '18. God Bless.

**Rev. Dr. A. Antony Pappuraj S.J., Secretary**

We are among the gifted to be a part of this institution. The versatility of the Josephites and the didactic education that is imparted here has produced numerous personalities who have been of yeoman service to the nation and humanity. I am sure that the present and future scholars of this institution are blessed enough to scale even greater heights, and the commitment and perseverance that we display towards our academic endeavours will always find us a place amongst the trendsetters in Indian education.

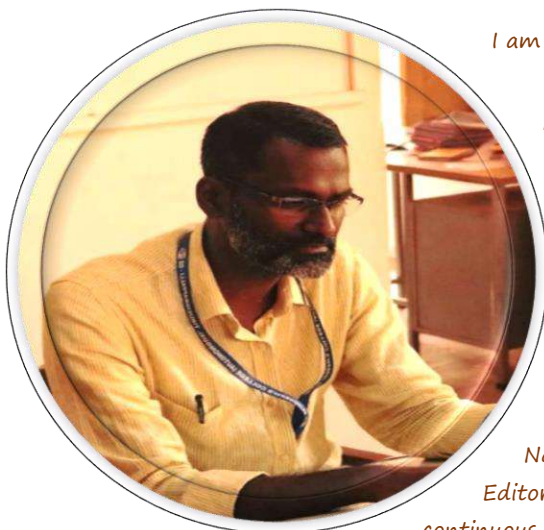

The academic year 2017-18 was filled with special events and programmes which include tie-up with Pondicherry University Twinning Programme of MBA, introduction of Digital Academic Planner, MCA approval from AICTE, approval from the Institute of Chartered Accountants of India (ICAI) to conduct coaching classes, construction of Vermi-Compost System and laying of foundation for a Multipurpose Gym.

The forthcoming Dodransbicentennial year will be of greater importance to everyone. Celebrations apart, we have to undergo NAAC Accreditation and Autonomy Review and let us keep our faith strong so that the institution comes out of the processes with flying colours. At this juncture, let me also reiterate our conviction to uphold the values bequeathed by the Lord Almighty, and to be of service to the humanity by imparting knowledge and values through pioneer education to the needy and deserving.

With immense gratitude to the Almighty who bestows His mercy and blessings on us, I am elated on the successful publication of Josephite 2017-18. The magazine walks us through the happenings and achievements of this great edifice of learning over the past year, and that it revives our affinity by reaching out to all those who are connected to St. Joseph's College. I take this opportunity to appreciate all the staff and the students for their dedicated service to the institution's cause and the editorial team for toiling to bring out the magazine in the best of its shape.

**Rev. Dr. F. Andrew SJ**  
Principal

## Editorial

I am extremely gratified to edit the 105th issue of Josephite, the annual magazine of St. Joseph's College. The institution has created a niche for itself over the past 174 years through excellence in academics and in imparting human values. Symbolising the growth of the institution, this magazine presents the efforts of numerous minds working towards upholding the legacy of the institution. I am sure that the magazine sincerely portrays the developments in the campus and the milestones achieved in the academic year 2017-18.

I owe my deepest gratitude to the college management for the opportunity; Dr. M.S. Xavier Pradheep Singh and Mr. S. Jerald Sagaya Nathan for their diligent proofreading; and the administrators, members of the Editorial Board, Mr. R. Venkatesan, Mr. S. Jesudoss, staff and students for their continuous support in bringing out this magazine.

Under 5 categories, with the support of 13 related department Heads, the college has submitted the required information to India Today- Best College Award 2018 on 26 January 2018.

During the Staff Seminar on 10 August 2017, Dean-IQAC presented exclusively intricacies of the new NAAC Manual- July 2017 as “A Paradigm Shift in Assessment and Accreditation Process of NAAC”.

Dean-IQAC convened a meeting on 9 October 2017 (9.30 to 12.00 noon) for MQC members, Head & Coordinators and Deans to familiarize with the NAAC New Manual-2017 to get the data from the department as the new manual demands student centric data and department specific inputs. He also spoke on the importance of Programme Education Objectives and the steps to be followed in developing POs, PSOs & COs and Attainment Study.

New Digital Initiatives of IQAC is to promote eco-friendly environment (Paper Free Communication) and creating accountability. The following are the new initiatives:

1. **Digital Academic Planner** has been developed in order to elicit the details of Teaching-Learning-Evaluation

Processes and to support autonomy with accountability. In this planner, teaching plan for semesters, internal assessment plan, daily teaching plan along with various modes of delivery have been included.

2. **Performance Appraisal for Teaching Faculty** has been carried out as per the guidelines of the UGC for API Score (Gazette Notification 4th May 2016) under three categories: Teaching-Learning-Evaluation Related activities, Professional Development Co-curricular and Extension Activities and Research and Academic Contribution. It supports 5 marks in Criterion - IV.

This is with reference to the new methodology of assessment by NAAC as a pre-requisite with 50 marks (To score in this metrics 10% students should respond) in Criterion - II.
4. **Self Study Report (SSR) Entry Portal** has been developed, as the new NAAC manual demands and captures more specific information from departments and units with special reference to Student Centric T-L-E-O of the institution at Tertiary Level Education.

### Other Initiatives

Performance Appraisal for Non-Teaching Faculty was initiated in paper mode to elicit attitude towards co-workers, public, perceptivity & sensitivity, student & staff relationship, initiative, etc.

Josephite 18

Quality is measurable and continuous. It sets higher benchmark and is relevant in the current educational scenario. Benchmark exercise was carried out by IQAC by collating the contributions of all faculty, based on their own academic growth as well as how the institution has grown over the period between 2012 - 2016 in terms of professional development and research & academic achievements. A report has been submitted to Rev. Fr. Principal and Rev. Fr. Secretary for further action.

The Annual Academic Audit (AAA) was conducted on 5 and 6 March 2018. Based on the function and performance, the

following departments were selected for the special award to be given during the college day celebration: Department of Physics in Shift-I Science category, Department of Commerce in Shift-I Humanities category, and Departments of Electronics and Information Technology in Shift-II category.

A word of appreciation and thanks to Mr. P. Padmanaban, Senior Assistant cum Typist of IQAC for his dedicated service to the Office of IQAC.
