It is with a sense of gratitude and boundless joy that St. Joseph's College celebrates its momentous dodransbicentennial year. What once started as a tiny flame on the shores of Nagapattinam, has grown for more than a century in Tiruchirappalli into a beacon of knowledge, illuminating countless young minds and contributing to nation building. The vision of the founding fathers, encompassing the ideal of the good and the true, has led the college to reach great heights in conformity to the Jesuit charism of magis – the striving for more, the excellent, the best and the greatest.

The 175th academic year (2018–19) has been vibrant with a series of events and programmes that are meticulously organised by the college to evoke a sense of wonder, appreciation and jubilation among the students and the staff. The year has seen events like the inauguration of dodransbicentennial year celebrations, seminars, conferences and colloquia both at national and international levels,

exhibitions, visits and the like. The College also is gearing up for the IV Cycle of the NAAC Accreditation and we hope our labour be rewarded.

While the college celebrates this historic milestone, the management has also taken great initiatives to increase the quality of teaching and research in the institution and to provide more opportunities for placements for students. As St. Joseph's looks back on its magnificent history, it invites its management, staff and students of the present to look with hope into the future where it continues to illuminate the world and to leave their footprints in the sands of time.

I congratulate the editorial team and I look forward to seeing this issue take its place as a vibrant reminder for the momentous occasion.

Rev. Dr. Leonard Fernando SJ
Rector

I feel greatly honoured to be asked to give a message for the Special Issue of the Magazine of St. Joseph's College on the occasion of its Dodransbicentennial Celebration, marking 175 years of its glorious service in the field of education. I feel immense pride whenever I think of this great temple of learning which has been home to millions of students who entered the portals of this noble institution and have gone on to become great statesmen, scientists, leaders of industries, educationists, social reformers and religious scions.

I feel privileged to have contributed my mite, all be it very insignificant to the educational efforts of St. Joseph's as the Deputy Principal for four years, as the first Director of St. Joseph's Institute of Management for six years and finally the Secretary of the College. I have extremely happy memories of my service at everyone of these assignments as I had the satisfaction of helping the needy to come-up in life. I bow in reverence before our great forefathers who had built-up this institution since it becoming by their intellectual acumen, self-sacrificing

service, great foresight and robust common sense. We have the obligation to build on their hard-work and take St. Joseph's to greater height. It needs greater commitment and dedication on the part of everyone concerned.

I wish the concluding celebrations of the 175th year of the college all success and I feel honoured to be a part of the celebrations. God bless you abundantly.

Rev. Dr. A. Antony Pappuraj, SJ
Secretary

With immense gratitude to the Almighty who continues to bestow His countless blessings on St. Joseph's College I am very much glad to pen down a few lines for this Dodransbicentennial Year (2018-19) college magazine. This academic year is unique and special in many ways, for each one in this temple of higher learning could experience God's grace and providential care on many occasions. This Special Heritage College has inaugurated the 175th Jubilee year celebrations in a grand manner.

The UGC expert committee which had visited the college for the autonomy extension was very much pleased and appreciated the standards set by the college. Our college was selected as one of the Ambient Air Quality Monitoring Stations by the Tamil Nadu Pollution Control Board. Various empowerment and skill training programmes for the students were organised in a meaningful way resulting in the steady improvement in our placements.

Our students were outstanding in both curricular and extra-curricular activities. I take this opportunity to appreciate and thank all the faculty and non-teaching fraternity for their committed hard work.

The legitimate pride which we have attained through these achievements and recognitions, in this Jubilee year, is also indicative of a task before us. This means we are never complacent about our achievements but ready to march ahead to reach unreachable stars which could be tougher. With the spirit of Magis, an Ignatian hallmark and the inspiration we draw from our patron St. Joseph, we can achieve it. I sincerely thank Dr. J. John Love Joy, Mr. S. Jerald Sagaya Nathan and Dr. M.S. Xavier Pradheep Singh and the other editorial team members for their excellent work.

Dodransbicentennial College Day

- Annual Report (2018-19)

Respected Chief Guests, Honourable Justice B. Rajendran, and Shri. R. A. Sankara Narayanan; Rev. Dr Leonard Fernando SJ, Rector and Vice-Chairman of the Governing Body; Rev. Dr A. Antony Pappuraj SJ, Secretary; Prof. K. A. Jayakumar, Deputy Principal; Vice Principals; Deans; Heads of the Departments; Reverend Fathers; Brothers; Sisters; Retired Professors; Eminent members of the teaching and non-teaching fraternity; Members of the alumni association; Members of the press; Beloved students; Ladies and gentlemen, I welcome you all to the Dodransbicentennial College Day Celebrations. This academic year is historic and very unique in the history of St. Joseph's College, as this age-old temple of higher learning proudly celebrates its Dodransbicentennial Jubilee. The tiny mustard seed, St. Joseph's College with its humble beginning in 1844 with three French Jesuit missionaries headed by Fr. Audibert from Toulouse Province and one student, now celebrates its 175th year saga of empowerment and nation building.

The Dodransbicentennial jubilee motto is "Remember - Rejoice - Reach out". It is the time for St. Joseph's College to remember and rejoice its glorious past and to rededicate the Jesuits and faculty to reach out to the marginalized in this fast changing academic world. The founders of St. Joseph's were those who believed in the maxim, "Small is beautiful". It was then a small step, but a giant leap in the ministry of higher education for the entire nation. Even before the university system was introduced in India, the French missionaries contemplated the idea of starting a university college at Nagapattinam, a small coastal town in Tamil Nadu.

"Educating is an act of Love; it is like giving Life," says Pope Francis. At this historic juncture and joyous occasion, we gratefully remember the thousands of holy and selfless souls who toiled day in and day out in this holy ground motivated by sheer selfless love to bring this institution to such a glorious stature today. In a special way, we remember hundreds of French and Indian Jesuit missionaries who tirelessly worked for the growth of this great institution.

I salute our French Jesuit stalwarts who pioneered the venture of starting a higher educational institution in this place with clear vision and farsightedness. Those stalwarts had made this great institution known for its academic standard and intellectual calibre at different levels. I am sure their blessing will always be with us, for it is their mission we are continuing.

Hon. Justice B. Rajendran
Executive Chairman
Indian Law Institute

Mr. R. A. Sankara Narayanan
Managing Director & CEO
Vijaya Bank

I also gratefully remember the committed faculty members who rendered yeomen service to St. Joseph's; non-teaching friends who continued their selfless service; illustrious alumni who continue to live the motto of St. Joseph's College and radiate its values to the world where they work. All these great men have made this institution what it is today.

This academic year and Jubilee year is a challenging year. It was studded with events and excitement. With profound gratitude to God and sense of legitimate pride, I am very happy to present the annual report of St. Joseph's College for this Dodransbicentennial academic year. This is a graceful year as we have received numerous gifts from the Almighty.

Bridge Course 2018-19

Bridge Course 2018-19 (Communicative English Course) for the first-year UG students was inaugurated by Rev. Dr. Arockiasamy Xavier S.J., Principal, St. Joseph's College on 04.06.2018 at the open-air auditorium in front of the Community Centre. After the inauguration, a placement test was conducted to place the students in two streams - basic level and intermediate level. Based on the assessment, 1872 students from both Shifts I & II were grouped into 34 sections of which 31 sections comprised students with basic-level language proficiency and three sections comprised intermediate level students.

Thirty-eight staff members and 13 research scholars handled classes from 8:30 a.m. to 5:15 p.m. from Monday to Saturday for 10 days. "Learning to Communicate" written by Dr. J. John Love Joy (Coordinator) was used as the course book for the students at the basic level. For the intermediate level, newspapers and literary texts were used along with the syllabus-based handouts.

Prior to the start of the course, Dr. M.S Xavier Pradeep Singh, Assistant Professor, Department of English, SJC conducted a workshop on "Second Language Teaching Methods" on 03.06.2018 at A.V. Hall. He engaged the teachers with participatory teaching-learning techniques. Dr. J. John Love Joy shared his expertise with the teachers with a view to making the classes more communicative and also gave an overview of the programme.

Dr. V. L. Jayapaul and Mr. D. Loyola Innaci, the assistant coordinators of the programme, conducted review meetings to get the feedback from the teachers and the students. The Bridge Course classes came to a close on 14-06-2018.

The Drama Club Report

The Drama Club is an initiative taken by the Department of English, St. Joseph's College to showcase literary aesthetics to the large number of masses. To add more colour and to impart strength, the Drama Club organized a two-day workshop on 4th and 5th January 2019.

The workshop was commenced by eliciting the blessings of the Almighty. The Resource persons of the seminar were Mr. Niranjana, trainer and expert in Theatrical Arts, Veteran Professor Dr. D. Donstony, Department of Tamil, St. Joseph's College, Trichy, and the Promising Cinematographer Mr. Nandha. The welcome address was given by Ranjani from II M.A. English.

The Inaugural address was given by the Director and the President of the Drama club, Dr. D. R. Edwin Christy, Department of English, St. Joseph's College. The inception of the morning session was by the most accomplished Artist Mr. Niranjana. He had come up with numerous activities which could bring out the hidden actors among the students. The members in the Drama Club were asked to stand in a circle and perform some of the basic actions. Much importance was given to their body language, facial expressions, volume and tone. Thus, the session was very fruitful for the students to overcome their bashfulness.

In the afternoon session, the Eight Bhavas were taught and performed by the trainer and the students followed accordingly. Each and every Bhava was explained and enacted by the expert Niranjana and the students were given practice. Thus, the thespians came to know the importance of the facial expressions and the body language. In the end, there was a warming up session for the students by Dr. D. R. Edwin Christy, Director and President of the Drama Club which made that session a full-fledged one.

The second-day workshop was engaged by the cinematographer Mr. Nandha. Nandha began with a small lecture about the stage manners (stage setting, the purpose of lights, entry and exit) and the costumes, and also he subtly pointed out the mistakes which actors made unconsciously on the stage. The morning session was very much helpful in knowing the significance and aspects of the drama. It was again engaged by Mr. Niranjana and he taught how to face the audience and how to focus on lights. There was a story narrating session in the noon and the thespians actively participated. It showcased the story-narrating capability of the thespians with

the focus on the rise and fall in intonations. Then the thespians were asked to divide themselves in groups and performed a short skit based on the actions and Bhavas which they learnt. That session witnessed and unveiled the acting skills, the team work and their quickness of perception. Eventually, the workshop came to an end with the practice of group singing comprising all the thespians. Eventually, Prof. D. Donstony gave a fantabulous motivational speech which made the students feel energetic. In the end, vote of thanks was delivered by Dr. D. R. Edwin Christy, Director and President of the Drama club with utmost gratitude. The core team members of the Drama club were congratulated for their behind screen contribution. By marking the success of the two-day workshop, the feedback was given by most of the thespians voluntarily and most of them said that they enjoyed and learnt the essential things to enact a drama within the short span of time.

The Department of Physics offers many opportunities beyond the classroom. The Department has four clubs such as Fabrication Laboratory Club, Einstein Quiz Club, Feynman’s Problem-Solving Club and Stephen Hawking’s Innovation Club. These dynamic clubs serve as pillars to enrich the young minds with updated knowledge.

Fabrication Laboratory Club (2018-19)

Dr. B. Kanickairaj was the Coordinator, and Prof. S. Lourduraj was the Assistant Coordinator for the Fabrication Lab Club. The student secretaries were appointed for both shift-I and shift-II. On the whole, nearly 30 students were enrolled from the Postgraduate programme and 75 students from Undergraduate programme. The Fab Lab club motivates and encourages the students to do the experiments and electronic circuits themselves. This club gives the opportunity to the students to conduct hands-on experiments and build on their experimental skill. After the class hours, the club meets once a week and share their ideas. Club Coordinators gave hands-on training on instrumentation, trouble shooting and promoted innovative ideas that create avenue for peer to peer learning among the club members. More than 50 students were benefited in this activity. Fab Lab club students took part in events like event test, model presentation, and design of circuits in the intercollegiate physics meet and won the prizes. They also helped the Department in the form of servicing the lab equipment such as CRO, Audio frequency Oscillator (AFO), LCD projectors, Power supplies, and logic modules, etc. This club designed the set up for the LVDT in PG laboratory. The club also undertook project like Air purifiers, Charge storing module using Piezo electric effect, FM receiver circuits, Ultrasonic wave transmitter and receiver, etc. The activities of the Fab Lab club initiated the idea of starting new value-added courses.

Einstein Quiz Club (2018-19)

Mr. S. Dominique was the Coordinator, and Dr. G. Samuel was the Assistant Coordinator for Einstein Quiz Club (2018-19). Einstein Quiz Club trains students to take part in the quiz competition and also to conduct the quiz competition which could encourage the students to become Quiz Masters. Our students took part in various quiz competitions conducted by other colleges in the intercollegiate meet. They also conducted quiz competition in the event JOSPHY organized by the Department or Physics, St. Joseph’s College. They took part in the competitions conducted by GTN arts and Science College, Dindigul and GRI University Dindigul and won many prizes. The

students took part in the club activities enthusiastically and acquired much skills in developing their depth of knowledge. Students took part in the competitions conducted by Jamal Mohamed College, Trichy, and won First prize in Quiz. Club organized quiz programme for both Shift-I and Shift-II. Written quiz test was also conducted for the students.

Feynman's Problem-Solving Club (2018-19)

Dr. Jerald V. Ramaclaus was the Coordinator, and Mr. M. Francis was the Asst. Coordinator for Feynman's Problem-Solving Club. Ms. Manjula and Mr. Giftus Thomas were the secretaries of the FPS club. Members were introduced to the genesis of the club and the proposed activities for the academic year. Club decided to conduct the club meeting twice a month on Wednesdays. Activities like solving problems on different topics, writing problems on the white board in front of the Department and creating awareness on competitive exams like JAM, JEST, etc. were the main activities. Mr. Logesh, Mr. Ramprasath, Mr. Praveen and Mr. Giri took the responsibility of helping others to solve problems by teaching tips and techniques. Problems in units and dimensions, Newtonian and classical mechanics, and vector analysis were discussed. Every day, a problem was displayed on the board and its solution was displayed on the following day. More than 200 students appeared for JAM exam this year.

Innovation Club (2018-19)

Dr. P. Christuraj was the Coordinator and Dr. M. Dinesh Raja was the Assistant Coordinator of Innovation Club. Around 70 students from Shift-I and 50 students from Shift-II registered their names with the innovation club. Some of the Club students along with the Coordinators and a few non-teaching staff serviced the physics laboratory equipment like vibration magnetometer, compass boxes, screw gauges, Cathode Ray Oscilloscopes, Function generators and power suppliers during their free time.

A short-term value-added course named "Physics Laboratory Equipment and Troubleshooting" was organized jointly by Innovation Club and Fab Lab. On 11th February 2019, Rev. Dr. M. Arockiasamy Xavier, SJ, Principal, inaugurated the course. The Head of the Department enlightened the gathering on the significance of this course. Twenty-six students from Shift-I and 25 students from Shift-II were selected. As on date, 120

A mega colourful Cultural Procession revealing the rich culture of Tamils was flagged off by the Administrators and the Chief guests. Teams in the cultural procession performed various things before the dignitaries. A few teams brought bulls used for Jallikattu. Different varieties and breeds of native dogs and bulls were paraded and exhibited to the public which was a different way of exhibiting our native wealth.

The teams also arranged traditional food stalls exhibiting a number of items of rich traditional cuisine. The dignitaries, staff and students enjoyed the occasion tasting food in the stalls. A variety of new attractions were brought into the College including a Ferris wheel, and stalls of small-scale attractions.

We had Sugarcane and Pongal being distributed to all in the college. All the 27 departments cooked Pongal as is the tradition, in front of Lawley hall and distributed it among themselves. A Pot breaking contest was held in front of Lawley Hall and Dr. Albert Rabara, the Vice Principal of the college was declared the victor.

The Department of SHEPHERD brought in a troupe of dancers of traditional descent and they performed a traditional folk dance "Thevarattam" which brought a lot more variety and flavor to the day. Even the instruments present during the whole event were all native and the audience enjoyed them to their fullest. Fine Arts students staged a dance performance and a paraiyattam with live parai band by our own students. Shields and Cups were distributed to the Winners and Runners of Cultural Procession, Food Stalls and Tamil Cribs separately. St. Joseph's College made this event so vibrant that it made everyone who said that our culture has been on the decline to rethink. Thus, the Pongal Celebrations ended in a grand manner and made everyone cherish his/her culture and tradition.

COUNSELLING AND MENTORING

Counselling

Counselling in higher education, an innovative initiative comes at a critical time, where, never before in the annals of the history of youth, boys and girls have gone through an emotional roller coaster during their academic endeavors. In the pursuit of finding the much-needed private space, boys and girls are increasingly becoming slaves to internet, WhatsApp, and Face Book, Twitter, etc. Boys and girls, in their anxiety to grapple with problematic situations, oscillate between healthy and unhealthy behaviors. Independent thinking and decision-making abilities are constrained by both internal and external factors. Though students hang on with the stigma of getting psychological help from professionals, pushed to the edge, they seek for personal counselling. Around four hundred students have availed themselves of the services of the counsellors. These clients include both voluntary and involuntary clients students seeking help on their own and students persuaded by the Mentors, Head of the Departments and parents. Problems such as: Anxiety in placement, conflict with peer group members and professors, friendship problems, depression, self-esteem issues, career guidance, peer pressure, and interpersonal living, etc. are dealt with in individual and group counselling. We welcome Rev. Dr. Gilbert Camillus, SJ, who has joined the counselling centre in the academic year 2018-19.

Mentoring

Mentoring is a structured and trusting relationship that brings young people together with caring individuals who offer guidance, support and encouragement aimed at developing the competence and character of the mentee. A Mentor is a teacher, guide, advocate, counsellor, friend, colleague who shares the mission of moulding responsible citizens who can be good human beings, good leaders. It is a social responsibility to accompany the students closely and help them grow as mature and happy persons in the society.

A total number of 300 professors are engaged in mentoring the students. As a matrix of mentoring, in most cases mentoring ratio is 1:20 (One professor for twenty students). In a few cases, the number has exceeded due to the shortage of mentors. A total number of four formal mentors' meeting have been organized by the counselling centre. A well-prepared agenda as well as a feedback form is distributed to the mentors prior to mentoring. After meeting the students, the mentors return the feedback sheets to the counselling centre and the counselling centre forwards the outcome of mentoring to the administrators for follow up. The assessment of the mentors and the students regarding the mentors meeting has been on the higher positive side.

DRAMA CLUB

The Research Department of English at St. Joseph's College (Autonomous), Tiruchirappalli, has been a building block for not just true academicians but has also moulded and shaped the talent of many youngsters. The Drama Club at the department is one such venture that provides ample opportunities to eager artists. The preparatory Dodransbicentennial Celebrations at this historic institution propelled the department to bring out an innovative platform for students and this idea led to the birth of the Drama Club at St. Joseph's College. Starting as a mere extension of the classroom activity, the infant Drama Club staged the successful Shakespearean play *Julius Caesar* to a thunderous audience of 1500 members in 2018. The Jubilee Year of 2019 was an even stronger reason to display a culmination of wonderful talent and this year, the Drama Club anticipating the sheer magnanimity of its institute's importance, decided to start the groundwork right from the reopening of the academic year in June 2018.

The Inauguration of the Drama Club for the academic year 2018-2019 kick started along with a Two-Day Workshop on "Theatrical Skills" on 4th January, 2019 at 9:30 a.m. at the Audio Visual Hall. The resource persons for the two-day workshop held on 4th and 5th January, 2019 were Mr. R. Niranjana, Actor, Associate Director, Traco Team, Chennai and Dr. R. Don Stony, Assistant Professor, Department of Tamil, St. Joseph's College (Autonomous), Trichy. The fifty selected students of the Drama Club were given intense training for two days on histrionic skills.

Auditions were held and the roles were given to the 50 selected students in the month of August 2018. The Play was decided to be held in February 2019 and students worked strenuously for six months to become the characters they portrayed. The Shakespearean Classic of *Romeo and Juliet* was decided to be staged and the script and other stage settings were planned from day one itself. The Play was staged for two days. It commemorated Valentine's day (14.02.2019) as a tribute to true love. The selected 50 actors were divided into two groups,

each consisting of 25 members and each team performed for a day to a rapturous audience of over 3000 members covering both days. The play found praise in four leading newspapers, *The Hindu* in both English and Tamil, *The Times of India* and *Thinabhoomi*. The management's support has been truly instrumental for the success of the play and it is with great honour and pride that the Drama Club finds it fitting to bring praise to the institution booklet.

A Natural Cosmic Love

Bellarmino Hostel boasts of a calm campus that gives a very serene feel and makes the students feel at home. The main reason for Bellarmine Hostel to boast of such a lively campus is the existence of the Social Activity Wing (SAW). It is the SAW which organizes a band of able, hardworking, ardent Nature lovers to keep the campus an eco-friendly one. It is one of the most arduous Wings in the hostel because it uses a lot of human work force. The SAW is the most active wing in the hostel and its members always keep on beautifying and maintaining the premises. In view of the Dodransbicentennial Celebrations, the

students headed by the SAW team decided to create a monumental work of art that included a waterfall with a fish pond that added extensively to the beauty of the hostel. Crotons were planted to beautify the campus. In the month of December, the crib was undertaken by the SAW and a whole new creative idea was brought to life by them. Along with these activities, the SAW always takes active interest in the arrangement of chairs and the setting up of the place for any given programme. Theresites begin their dawn every day at 5:30 am with praising God, by listening to the devotional songs and by immersing themselves in Holy Mass, which is celebrated in the hostel chapel from Monday to Friday and they also settle down at the end of the day by offering thanksgiving prayers in their own words and by listening to the word of God at 8:15 pm.

Freshers' Day was celebrated for the freshly bloomed buds on 19th July 2018 as they began their life in the family of St. Theresa's Girls' Hostel by invoking Almighty's grace on them by Holy Eucharist by Rev. Fr. Gilbert Camillus, S.J., Director and Rev. Fr. Rayappan, S.J., Procurator and addressed by seniors.

Leaders are formed here to involve themselves in hostel administration and to hold manifold responsibilities between administrator and the students. For this academic year, responsibilities were taken by Ms. Vincy Vinola assisted by Ms. Steffy Infanta. We heartily congratulate them for their contributions.

On 28th August 2018, students had an awareness programme on "F5-(to refresh) Motivating and Thought provoking" conducted by Jesus Youth Organization.

On 1st October 2018, we celebrated our patron's day as we bear witness for her. On this great occasion, the Holy Mass was celebrated by Rev. Fr. Dr. Leonard Fernando, SJ, Rector, Fr. Gilbert, SJ, and Rev. Fr. Rayappan, SJ.

As our students put a lot of efforts to place themselves ahead in their academic skills, they proved in their semester examinations with good results. We wholeheartedly appreciate and congratulate them.

Our Theresites have participated in various intercollegiate competitions, academic programmes, paper presentation and sports. As they plan purposefully, prepare prayerfully, proceed positively and pursue persistently, they succeeded splendidly.

On behalf of Theresites family, we express our heartfelt gratitude to Rev. Fr. Dr. Leonard Fernando, S.J., Rector, Rev. Fr. Dr. Antony Pappuraj, S.J., Secretary, Rev. Fr. Dr. Arokiasamy Xavier, S.J., Principal, SJ, Rev. Fr. Dr. Gilbert Camillus, S.J., Hostel Director and Rev. Fr. Rayappan, S.J., Treasurer who are always ready to extend their constant support, guidance and suggestions for the welfare of our growth and we also thank all the Reverend Fathers in the Jesuit community who are helping us in our spiritual growth.
